I close the door
Like so many times, so many times before
Felt like a scene on the cutting room floor
When I let you walk away tonight without a word

I try to sleep, yeah
But the clock is stuck on thoughts of you and me
A thousand more regrets unraveling, oh
If you were here right now I swear I'd tell you this

Baby, I don't want to waste another day
Keeping it inside, it's killing me
'Cause all I ever want
It comes right down to you, to you

I wish that I could find the words to say
Baby, I would tell you every time you leave
I'm inconsolable

I climb the walls, yeah
I can see the edge but I can't take the fall, no
I've memorized the number so why can't I make the
call?
Maybe 'cause I know you'll always be with me
In the possibility, oh

Baby, I don't want to waste another day

Keeping it inside, it's killing me
'Cause all I ever want
It comes right down to you, to you

I wish that I could find the words to say
Baby, I would tell you every time you leave
I'm inconsolable, oh, no, no, no

I don't wanna be like this
I just want to let you know
That everything that I hold in
Is everything I can't let go
Oh, I can't let go, yeah

'Cause baby I don't want to waste another day
Keeping it inside, it's killing me
'Cause all I ever want
It comes right down to you, to you

I wish that I could find the words to say
Baby, I would tell you every time you leave
I'm inconsolable, oh, no no no
Don't you know it, baby?
I don't wanna waste another day

I wish that I could find the words to say
Baby, I would tell you every time you leave
I'm inconsolable, yeah yeah yeah
Oh, I'm inconsolable, whoa yeah
I'm inconsolable
