It's True

Even a lover makes a mistake sometimes
Like any other fall out and loose his mind
And I'm sorry for the things I did
For your tear drops, all the words I said
Can you forigive me and open your heart once again
Oh yeah

It's true
I mean it
From the bottom of my heart
Yeah it's true
Without you I would fall apart

What ever happened
I know that I was wrong(oh yeah)
Can you believe me maybe your faith is gone
Oh yes it is
But I love you
And I always will
So I wonder if you want me still
Can you forgive me and open your heart once again
Oh yeah

It's true
(Yes it's true)
I mean it
(Yeah)
From the bottom of my heart
Yeah it's true(its true)
Without you I would fall apart(oh..)

I'd do anything to make it up to you(you you..)
So please understand
And open your heart once again

It's true
(OH!)
I mean it from the bottom of my heart
Yeah it's true

Without I would fall apartx2

It's True
