This is for the lovers
Strictly for the lovers, yeah
You got someone you wanna get close to
Then get close to this

Ooh, ooh
Just to be close to you
Yo, drop the verse

Like a flower to a tree
That's how close I wanna be
To your heart
(To your heart, heart)
Like the stars to the night
And daytime is to light

Will never part
(Will never part)
I want you to be
The only thing that I've seen
'Cuz I believe it's our destiny

Just to be close
Just to be close
It's the only thing
That I wanna do
(That I wanna do)

Ooh, just to be close
(Close)
Just to be close to you
(Closer to you)
Just to be close

So lonely is the night
Without you to hold me tight
(I wanna hold you closer)
I need you
(Baby, hold me closer, closer)
My life would mean nothing
(Ohh)

Without the joy you bring
(Ohh)
To me, you know, you know, you know
There will never be
(Never be)
No one else for me
(Ohh)
You are like a dream, that became reality

Just to be close
(So close)
Just to be close
(Ohh)
It's the only thing
That I wanna do
(That I wanna do)

Ooh, just to be close
(Close to you baby)
Just to be close to you
(Closer to you)
Just to be close
(Baby)

Gonna give you all my love
I'm gonna give it to you
I'm gonna give it to you
All my love, I'm gonna give it to you
All my love, I'm gonna give it to you
Give you everything you need

I'm gonna give it to you
I'm gonna give it to you
Give you all you want
(To be close to you)
To be close to you
(Close to you)
Close to you

Just to be close
(Just to be close)
Just to be close
(All I want)
It's the only thing
That I wanna do
(That I wanna do)

Ooh, just to be close
(Just to be close)
Just to be close to you
(Closer to you)

Just to be close

I don't want to be without your side
I'll never, never, never ever let you go
Just wanna be close to you
I don't want to be without you girl
Never, never, never ever let me go
Just to be close

Never be
(Never be)
No one else for me
(Ohh)
You are like a dream
That became reality

Just to be close
Just to be close
(Wanna be close)
It's the only thing
That I wanna do
(That I wanna do)

Ooh, just to be close
(Close, close, close)
Just to be close to you
(Closer to you)
Just to be close

I just wanna be close to you
Oooh, I just wanna be close to you
