Lookin at your picture  
From when we first met  
You gave me a smile  
That I could never forget  
Nothing I could do  
Could protect me from you that night

Wrapped around your finger  
Always on my mind  
The days would blend  
Cause we stayed up all night  
Yeah you and I were everything  
Everything to me

I just want you to know  
That I've been fighting to let you go  
Some days I make it through  
And then there's nights that never end  
I wish that I could believe  
That there's a day you'll come back to me  
But still I have to say  
I would do it all again  
Just want you to know

All the doors are closing  
I'm trying to move ahead  
And deep inside I wish it's me instead  
My dreams are empty from the day  
The day you slipped away

I just want you to know  
That I've been fighting to let you go  
Some days I make it through  
And then there's nights that never end  
I wish that I could believe  
That there's a day you'll come back to me  
But still I have to say  
I would do it all again  
Just want you to know

That since I lost you  
I lost myself

No I can't fake it  
There's no one else

I just want you to know  
That I've been fighting to let you go  
Some days I make it through  
And then there's nights that never end  
I wish that I could believe  
That there's a day you'll come back to me  
But still I have to say  
I would do it all again  
Just want you to know

Cause I can't fight to let you go  
Some days I make it through  
And then there's nights that never end  
I wish that I could believe  
That there's a day you'll come back to me  
But still I have to say  
I would do it all again  
Just want you to know
