(Yeah)

I may run and hide

While you're screamin my name alright

But let me tell ya now there are prices to pay alright

All of our time spent in Flashes of light

[Chorus]

All you people can't ya see can't ya see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger than life

(Alright)

Looking at the crowd

And I see your body sway

C'mon

Wishin I could thank you

In a different way

Cm' on

Cause all of your time spent

Keeps us alive

[Chorus]

All you people can't ya see, Can't ya see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger than life

(Larger than life)

(Yeah)

(That's right)

All of your time spent

Keeps us alive

[Musical Break]

[Chorus]

All you people can't you see can't you see

How your love's affecting our reality

Every time we're down

You can make it right
And that makes you larger than life
(Yeah)
Every time we're down
(Yeah)
You can make it right
(Yeah)
That's what makes you larger than life

[Repeat]
All you people can't you see can't you see
How your love's affecting our reality
Every time we're down
You can make it right
And that makes you larger (that makes you larger
thanÂ...)
That makes you larger
That makes you larger than life
