(borg)

Out of money
Out of cash, man
It's the only thing that makes the world go round
I need diamonds
I need gold, man
'cause I can't make a scene without the green

Don't come telling me that love is the priority
I'm broke as hell, man
I need a wishing well, man
Born with a spell, man
I love that smell, man

I got no reason to lie
I need cash or I will die
I got no reason to lie

I can't control it
I just wanna hold it
'cause it will make me feel that i'm a man
So give me money
I said, give me money, man
'cause I don't care as long as i'm in command

Don't come telling me that it is just an enemy
I'm broke as hell, man
I need a wishing well, man
Born with a spell, man

I got no reason to lie
I need cash or I will die
I got no reason, I got no reason to lie

I'm broke as hell, man
I need a wishing well, man
Born with a spell, man
I love that smell, man
I don't wanna dwell, man
Let's go to hell, man

I got no reason to lie
I need cash or I will die
I got no reason, I got no reason to lie

Don?t come telling me love is the priority
Everything is blue
And don?t you see how it?s killing me
