Oh no

Take what you need 'cause I can't hold my breath

Say what you feel 'cause I got nothing left, oh

I made a promise to myself last night

I'm gonna keep it if it's wrong or right

And if I lose it all

There'll be nothing left to lose and I would take the fall

'Cause knowing you are out there breathing

It's so wonderful, it's a chance I take even if I break it

I lose it all, if I lose it all

Wouldn't matter anyway

Don't change a thing, perfect as you are

Time has a way, time is all I've got

If my heart should shatter watching you

That'd be one less thing I'd have to prove

And if I lose it all

There'll be nothing left to lose and I would take the fall

'Cause knowing you are out there breathing

It's so wonderful, it's a chance I take even if I break it

I lose it all, if I lose it all

Heaven will be waiting when I fall into your open arms

I believe you'll find me there

You'll find me there

And if I lose it all

There'll be nothing left to lose and I would take the fall

'Cause knowing you are out there breathing

It's so wonderful, it's a chance I take even if I break it

I lose it all, if I lose it all

And if I lose it all

There'll be nothing left to lose and I would take the fall

'Cause knowing you are out there breathing

It's so wonderful, it's a chance I take even if I break it

I lose it all, if I lose it all

Wouldn't matter anyway
