I can see that you've been crying  
You can't hide it with a lie  
What's the use in you denying  
That what you have is wrong

I heard him promise you forever  
But forevers come and gone  
Baby he would say whatever  
It takes to keep you blind  
To the truth between the lines

Oh I will love you more than that  
I won't say those words, then take them back  
Don't give loneliness a chance  
Baby listen to me when I say  
I will love you more than that

Baby you deserve much better  
What's the use in holding on  
Don't you see it's now or never  
Coz I just can't be friends  
Baby knowing in the end

That I will love you more than that  
I won't say those words, then take them back

Don't give loneliness a chance  
Baby listen to me when I say

*[bridge]*

There's not a day that passes by  
I don't wonder why we haven't tried  
It's not too late to change your mind  
So take my hand, don't say goodbye

I will love you more than that  
I won't say those words, then take them back

Oh I will love you more than that  
I won't say those words, then take them back  
Don't give loneliness a chance  
Baby listen to me when I say

I will love you, oh

I will love you more than that  
I won't say those words, then take them back  
Don't give loneliness a chance  
Baby listen to me when I say  
I will love you more than that
