Oh, oh, oh
Oh, no, no, baby
Oh, ohh, ohh, ohh
Yeah

How can I begin to
Tell you what ya do to
Me every time I hear ya
More willing to wanna see ya

I know that there's no use in
Tryin' to explain my confusion
But still I'm not complainin'
'Bout my situation

Let's not talk about a possible ending

The very first time that I
Was lookin' to be your fella
I found my inspiration
Hidin' in your expression
So I put myself forward
For your consideration
Yeah, yeah, yeah, oh

Chorus:
Let's not talk about a possible ending
Let's not think about it every day
And I know
I'm so
In love
With you
I'm finding it harder and harder to breathe
Every time I'm near
My beautiful woman

Yeah

And so I put the top down
To take you drivin' downtown
I guess we'll know just what to do
When you're lookin' to fool around

It's too late to stop me
I know we're gonna get down
Get down, ohh, no, no, no (oh)

Chorus:
Let's not talk about a possible ending (baby)
Let's not think about it every day (oh)

And I know (I know)
I'm so (I'm so)
In love (in love)
With you (with you, baby)
I'm finding it harder and harder to breathe
Every time I'm near
My beautiful woman (my beautiful woman)

My beautiful woman (yes you are, yes you are, yes you are)
My beautiful woman (anything that you want me to do, I'll do) (now)
My beautiful woman (my beautiful)

Bridge:
B is for beautiful as the sunshine (sunshine)
E tells me everything is feelin' alright (don't you know I feel alright)
A goes to
U and me swingin' in time (swingin' it)
T is two
I want you
You've got me actin' like a FOOL

Chorus:
Let's not talk about a possible ending (oh, yeah, yeah)
Let's not think about it every day (everyday)
And I know (I know)
I'm so
In love
With you (baby)
I'm finding it harder and harder to breathe
Every time I'm near
My beautiful woman

Let's not talk about a possible ending (possible ending)
Let's not think about it every day (oh girl, no, yeah, yeah, yeah)
And I know (I'm so in love)
I'm so
In love
With you (you)

I'm finding it harder and harder to breathe (ohhh)
Every time I'm near
My beautiful woman (my beautiful woman)
My beautiful woman (yes you are, yes you are, girl you
are)
My beautiful woman (you're so beautiful)
My beautiful woman (my beautiful woman)
