When we turn out the lights
The two of us, alone together
Somethin' just not right
But, girl, you know that I would never ever let
Another's touch, come between the two of us
'Cause no one else will ever take your place

No one else comes close to you
No one makes me feel the way you do
You're so special girl to me
And you'll always be, eternally
Everytime I hold, you near
Always say the words, I love to hear
Girl, with just a touch, you can do so much
No one else comes close
No one else comes close
No one else comes close

And when I wake up to
The touch of your head on my shoulder
You're my dream come true, ohh yea
Girl, you know I'll always treasure
Every kiss, and every day, I love you girl, in every way
And I always will 'cause in my eyes

Ohh baby
No one else comes close to you
No one makes me feel the way you do
You're so special girl to me
And you'll always be, eternally
Everytime I hold, you near
Always say the words, I love to hear
Girl, with just a touch you can do so much

Girl, can't you see that
No one else comes close to you
No one makes me feel the way you do
You're so special girl to me
And you'll always be, eternally, babe
Everytime I hold you near
Always say the words, I love to hear
Girl, with just a touch, you can do so much

No one else comes close
No, no one else comes close
Ohh girl
No one else comes close
Damn I love you
