"Nowhere To Go"

Lookin' for beauty I'm uncertain
Finding the strength inside the gray
Maybe I'm headin' for a breakdown
Or maybe that's okay

Could be I'm hangin' on for dear life
Maybe I need to get a grip
'Cause you're the only one
Makes me feel like this so

Save me, I'm fallin' again
Keep me from breakin' in a million pieces
In the end no matter what I do
There's nowhere, nowhere to go
Nowhere to go but you, yeah, yeah

Try to mean nothing out of something
Promised myself I wouldn't care
Baby, you're makin' me a liar
'Cause I'm standin' here

You find a crack in my resistance
You find a way to wear me down
Yeah, I just look at you
And there's no way out

So, save me, I'm fallin' again
Keep me from breakin' in a million pieces
In the end no matter what I do
There's nowhere, nowhere to go
Nowhere to go but you

Every single road I take it's you
Asleep or wide awake, it's you
And it's too late
For maybe you want to save me

I'm fallin' again
Keep me from breakin' in a million pieces
In the end no matter what I do
There's nowhere, nowhere to go
Nowhere to go but

Save me, I'm fallin' again
Keep me from breakin' in a million pieces
In the end no matter what I do
There's nowhere, nowhere to go
Nowhere to go but you
