Hmmmm.....

If I were a painter mixing my colors  
How could I ever find the blue of your eyes?  
The canvas could never capture the light of your smile,  
of your smile

And girl if I were a sculptor, working in marble  
I couldn't hope to copy your perfect face  
The curve of your body, the feel of your skin  
My hands could never ever trace

Chorus:

So I'll try and find a melody as beautiful as you  
Find the words to say your eyes are bluer than blue  
Fill my voice with the emotion I'm feeling for you  
And now when the beat is so strong  
I'll give my heart in a song

Oh girl, if I were an actor, I could be someone  
Someone who'd always know the right things to say  
But as soon as I'd see you I'd forget all my lines  
And you'd never know what I feel inside

So I'll try and find a melody as beautiful as you  
Find the words to say your eyes are bluer than blue  
Fill my voice with the emotion I'm feeling for you  
And now when the beat is so strong  
I'll give my heart in a song

There's no other way (no other way), that I know to say  
(I know to say  
Baby how much I love you  
And if you'll only give me a change, oh girl

I will try and find a melody as beautiful as you  
Find the words to say your eyes are bluer than blue  
Fill my voice with the emotion I'm feeling for you  
And now when the beat is so strong  
I'll give my heart in a song

repeat...

I'll do, I'll do what I do  
You know why, know why?  
Your eyes are bluer than blue  
Uh huh, yeah,  
I said I'll do what I do

I'll give my heart in a song

You know I'm not a painter, actor, baby  
It don't matter

I'll give my heart in a song

Oh, you're so beautiful

Give you my heart in a song
