*[A/Nick:]*

She wakes up with the sun  
She throws on her clothes  
Hoping her car will start  
The second time around  
The day has begun  
The line's out the door  
Serving up fraps  
Until she can't take anymore  
I see it in her broken smile  
Oh why

*[Chorus:]*

Wish I could tell her  
You're one in a million  
You're going the distance, babe  
You're gonna work it out someday  
I wish I could tell her  
You're one in a million  
But you never even look my way

*[Howie/Nick:]*

No she never looks my way  
She never, never, ever looks my way

She ties up her hair  
Her makeup is smeared  
Wiping the tears that she wants no one to see  
She screams on the pain  
I hear every word  
Why don't you know how beautiful you are  
Just see it in my broken smile

*[Repeat Chorus:]*

*[Brian/Howie:]*

If I could be the light  
To guide you through the darkness baby  
If I could be the one  
To change the ending to your story  
I'd be one in a million  
I'd be one in a million

Someday I will tell her  
You're gonna work it out someday

*[Repeat Chorus]*
