"Open Arms"

Lying beside you, here in the dark
feeling your heartbeat with mine
softly you wisper you're so sincere
how could our love be so blind

we saild on together
we drifted apart
and here you are by my side

CHORUS

So now I come to you, with open arms
Nothing to hide, belive what I say
So here I'm with open
arms
Hoping to see what your love means to me
Open arms ...

Living without you, living alone
This empty house seems
so cold
Wanting to hold you, wanting you near
How
much I wanted you home

But now you've come back
Turned into night
I need you
to stay

CHORUS

Open Arms ...
