Out in the rain, looking for sunshine
I call your name, but you're like a ghost
I let you disappear,
should've never let you go
I want to say just for the record
That you still got
My heart and my soul
And though we're worlds apart
Yeah, I gotta let you know

You are the piece I can't replace
You left a mark that won't erase

No one else can teach me how to love again
'Cause you left a permanent stain
On my heart
And I've been feeling it
Never mind what people say 'cause they don't
understand
How you left a permanent stain on my heart,
You're never leaving it

Some tried to break through the walls
That I built up,
But they don't compare to you
One chance, and I swear I'll never let you go

You are the piece I can't replace
You left a mark that won't erase

No one else can teach me how to love again
'Cause you left a permanent stain
On my heart
And I've been feeling it
Never mind what people say 'cause they don't
understand
How you left a permanent stain on my heart,
You're never leaving it

You left a permanent stain on my heart,
You're never leaving it

Wash away the tide
Never gonna fade,
No one can touch the flame
Or tame the fire

You are the piece I can't replace
You left a mark that won't erase

No one else can teach me how to love again
'Cause you left a permanent stain on my heart
And I've been feeling it
Never mind what people say 'cause they don't
understand
How you left a permanent stain on my heart,
Yyou're never leaving it
