Out of the rain, looking for sunshine
I call your name, but you're like a ghost
I let you disappear, should've never let you go
I want to say just for the record
That you still got my heart and my soul

You know we're worlds apart, yeah I've got to let you
know

You are the piece I can't replace, oh
You left a mark that won't erase, no

[Chorus]

No one else can teach me how to love again
Cause you left a permanent stain on my heart and I've
been feeling it
Never mind what people say 'cause they don't
understand
How you left a permanent stain on my heart and I've
been feeling it

Some try to break through the walls
but they don't compare to you
One chance, I swear I'll never let you go

You are the piece I can't replace, oh
You left a mark that won't erase, no

[Chorus]

No one else can teach me how to love again
Cause you left a permanent stain on my heart and I've
been feeling it
Never mind what people say 'cause they don't
understand
How you left a permanent stain on my heart and I've
been feeling it

Ooh ooh ooh ooh
You left a permanent stain on my heart and I've been
feeling it

One should, with time
Never gonna fade, one can touch the flame and tame
the fire
You are the piece I can't replace, oh
You left a mark that won't erase, no

[Chorus]

No one else can teach me how to love again
Cause you left a permanent stain on my heart and I've
been feeling it
Never mind what people say 'cause they don't
understand
How you left a permanent stain on my heart and I've
been feeling it

Ooh ooh ooh ooh
You left a permanent stain on my heart and I've been
feeling it
Ooh ooh ooh ooh
You left a permanent stain on my heart and I've been
feeling it
