Sit back and put your
Toys aside for a while
It ain't war if that's what you like
Somebody said I'm in for the fight

Ain't trading pigs for swine x2
It ain't mine if that's alright
All the suits they stand in line
But all they do is fantasize
Got no hunger and no thirst
Sicker than the first
- It's not workin'
- It ain't working
Thick it's gonna burst medication
Is the curse
- It's not working

Like the black in the dark
Lookout, you're looking
It ain't bright to live on the lie
Somebody said I'm losing my spark
It ain't so, but that's alright

Ain't trading pigs for swine x2
All the suits they stand in line
Sicker than the first
But all they do is fantasize
Got no hunger and no thirst
- It ain't working
- It's not workin'
Thick it's gonna burst medication
Is the curse
- It's not working
Only the pigs of the irony

Stealing swines from the enemy
Only the pigs
Only the pigs

All the suits they stand in line

But all they do is fantasize
Sicker than the first
Got no hunger and no thirst
- It ain't working
- It's not workin'
Thick it's gonna burst medication
- It's not working x2
- it's not working
Is the curse
- it ain't working
- it ain't working
