Verse 1

How do rumors get started, they're started by the
jealous people and They get mad seeing something
they had and somebody else is holding They tell me
that temptation is very hard to resist But these wicked
women, ooh, they just persist Maybe you think it's cute,
but girl, I'm not impressed I'll tell you one time only with
my business please don't mess

Chorus

(When you) look at all these rumors surrounding me
every day I just need some time, some time to get
away from From all these rumors, I can't take it no
more My best friend said there's one out now about me
and the girl next door

Verse 2

Did you hear the one about Tina, some say she's much
too loose That came straight from a guy who claims
he's tasted her juice Did you hear the one about
Michael, some say he must be gay I tried to argue, but
they said if he was straight he wouldn't move that way
Did you hear that one about Susan, some say she's just
a tease In a camisole she's six feet tall, she'll knock you
to your knees

Chorus

(When you) look at all these rumors surrounding me
every day I just need some time, some time to get
away from From all these rumors, I can't take it no
more My best friend said there's one out now about me
and the girl next door

Verse 3

I can't go no place without somebody pointing a finger I
can't show my face 'cause when it comes to rumors I'm
a dead ringer It seems from rumors I just can't get
away I'll bet there'll even be rumors floating around on
Judgment Day I'll think I'll write my congressman and
tell him to pass a bill So the next time they catch

somebody starting rumors, shoot to kill

Chorus

(When you) look at all these rumors surrounding me
every day I just need some time, some time to get
away from From all these rumors, I can't take it no
more My best friend said there's one out now about me
and the girl next door

What's mine is mine, I ain't got time for rumors in my
life I'm a man who thinks, not a man who drinks, so
please let me live my life What's mine is mine, I ain't
got time for rumors in my life (Look at all these rumors)
I'm a man who thinks, not a man who drinks, so please
let me live my life What's mine is mine, I ain't got time
for rumors in my life (Look at all these rumors) I'm a

me live my life
