Washed away my sad face,  
Flooded all my empty space  
You take away life's heartbreak  
And I know with you it's gonna be ok

You're rushin through me  
(Like water from Heaven)  
I Feel you movin through me  
(Like sand in the sea)  
And now I feel so alive  
I know that there must be  
Something here  
(so alive)  
Cause you're all the air in my atmosphere  
Finally I feel complete cause  
You are rushed over me yeah  
(over me over me over me)

There no more blindness  
When I cry I'm smilin  
You kept me from dyin  
And I know with you I'll keep on livin

You're rushin through me  
(Like water from Heaven)  
I Feel you movin through me  
(Like sand in the sea)  
And now I feel so alive  
I know that there must be  
Something here  
(so alive)  
Cause you're all the air in my atmosphere  
Finally I feel complete cause

You are rushed over me

It's not enough just holding on  
Before I met you I was lost  
Now that you're standing here  
I don't want you to go  
I know that your love keeps me alive

You're rushin through me  
(Like water from Heaven)  
I Feel you movin through me  
(Like sand in the sea)  
And now I feel so alive  
I know that there must be  
Something here  
(so alive)  
Cause you're all the air in my atmosphere  
Finally I feel complete cause  
You are rushed over me

You're rushin through me  
(Like water from Heaven)  
I Feel you movin through me  
(Like sand in the sea)  
And now I feel so alive  
I know that there must be  
Something here  
(so alive)  
Cause you're all the air in my atmosphere  
Finally I feel complete cause  
You are rushed over me
