Baby, please try to forgive me
Stay here don't put out the glow
Hold me now don't bother
If every minute it makes me weaker
You can save me from the man
That I've become, oh yeah

Looking back on the things, I've done
I was trying to be someone
I played my part, kept you in the dark
Now let me show you the shape of my heart

Sadness is beautiful
Loneliness is tragical
So help me, I can't win this war, oh no
Touch me now don't bother
If every second it makes me weaker
You can save me from the man, I've become

Looking back on the things, I've done
I was trying to be someone
I played my part, kept you in the dark
Now let me show you the shape of my heart

I'm here with my confession
Got nothing to hide no more
I don't know where to start
But to show you the shape of my heart

I'm looking back on things, I've done
I never wanna play the same old part
Keep you in the dark
Now let me show you the shape of my heart

Looking back on the things, I've done
I was trying to be someone
I played my part, kept you in the dark
Now let me show you the shape of my heart

Looking back on the things, I've done
I was trying to be someone
I played my part, kept you in the dark

Now let me show you the shape of
Show you the shape of my heart
