Ohhohhh ohh yeah
Oh no, yeah

[Nick:]

Shorty ain't got cable
She don't even got a radio
Way more than able
What kind of girl should I take her for
The perfect kind, just what I like
Exactly what I had in my mind, a dream
She's a dream, yeah

Shorty don't I'm on the red carpet
Almost every night
When I'm out of town to go and do work
A first class every flight
She takes the time to open her eyes
She can realize, that she's a dream
'Cause she knows me

[Chorus:]

Shorty don't know who I am
She don't know I'm a celebrity
'Cause when I let her meet my fam
Ain't nobody mention my pedigree
'Cause every time I take her out
We're always in the VIP
Shorty don't know who I am
'Cause she knows me
That's why I make her say ohh
Make her say ahh
Make her say ohh
Make her say ahh

Shorty don't know who I am

[Brian:]

And I'm cool with that if she says so
I even got a lot to her
And when I'm out, making pesos
Ain't nobody treat her like I do her
'Cause I'm the one that she thinks about

The only one on her mind
She's a dream, 'cause she knows me

Shorty don't know that I'm on the stage
Like 3 or 4 times a week
She don't even know I been around the world
And all the different girls I meet
But there's just one thing that I see
She's the only one for me
She's a dream, 'cause she knows me

[Chorus:]
Shorty don't know who I am
She don't know I'm a celebrity
'Cause when I let her meet my fam
Ain't nobody mention my pedigree
'Cause every time I take her out
We're always in the VIP
Shorty don't know who I am
'Cause she knows me
That's why I make her say ohh
Make her say ahh
Make her say ohh
Make her say ahh

[Howie:]
See, Shorty don't know who I am...
That's not good for us
'Cause I know it's not good to fuss

[AJ:]
And I know she loves me, for me
And I love her, for her
But it wouldn't work
If she ever give a damn 'bout who I am
But she loves me...

[Chorus:]
Shorty don't know who I am
She don't know I'm a celebrity
'Cause when I let her meet my fam
Ain't nobody mention my pedigree
'Cause every time I take her out
We're always in the VIP
Shorty don't know who I am
'Cause she knows me
That's why I make her say ohh
Make her say ahh
Make her say ohh
Make her say ahh... about me
