Show me the meaning of being lonely

Verse 1

So many words for the broken heart,  
Its hard to see in a crimson love,  
So hard to breath,  
Walk with me and maybe  
Nights of light so soon become  
Wild and free I can feel the sun  
Your every wish will be done they tell me

Chorus

Show me the meaning of being lonely  
Is this the feeling I need to walk with  
Tell me why I can't be there where you are  
There's somethin' missin' in my heart

Verse 2

Life goes on as it never ends  
Eyes of stone observe the trends  
They never say forever gaze, if only  
Guilty roads to an endless love  
There's no control are you with me now  
Your every wish will be done they tell me

Show me the meaning of being lonely  
Is this the feeling I need to walk with  
Tell me why I can't be there where you are  
There's somethin' missin' in my heart

There's nowhere to run i have no place to go Surrender  
My heart' body and soul how can it be you're asking me  
To feel the things you never show  
You are missing in my heart  
Tell me why i can't be there where you are

Show me the meaning of being lonely  
Is this the feeling I need to walk with  
Tell me why I can't be there where you are  
There's somethin' missin' in my heart

Verse3

There's no way to run I have no place to go  
Surrender my heart

Body and soul  
How could it be you're askin me to feel things you  
never show
