So many words for the broken heart  
It's hard to see in the crimson love  
So hard to breathe  
Walk with me and maybe

Nights of light so soon become  
Wild and free I can feel the sun  
Our every wish will be done  
They tell me

Show me the meaning of being lonely  
Is this the feeling I need to walk with?  
Tell me why I can't be there where you are  
There's something missin' in my heart

Life goes on as it never ends  
Eyes of stone observe the trends  
They never say forever gaze

If only guilty roads to an endless love  
(Endless love)  
There's no control, are you with me now?

Your every wish will be done, they tell me

Show me the meaning of being lonely  
Is this the feeling I need to walk with?  
Tell me why I can't be there where you are  
There's something missin' in my heart

There's no where to run, I have no place to go  
Surrender my heart, body and soul  
How can it be you're asking me to feel  
Things you never show

You are missing in my heart  
Tell me why I can't be there where you are

Show me the meaning of being lonely  
Is this the feeling I need to walk with?  
Tell me why I can't be there where you are  
There's something missin' in my heart
