So many words for the broken heart
it's hard to see in the crimson love
so hard to breathe
walk with me and maybe
nights of light so soon become
wild and free I can feel the sun
our every wish will be done
they tell me

Chorus

Show me the meaning of being lonley
is this the feeling I need to walk with
tell me why
I can't be there where you are
there's something missin' in my heart

Life goes on as it never ends
Eyes of stone observe the trends
They never say forever gaze
if only guilty roads to an endless love
(endless love)
there's no control
are you with me now
your every wish will be done
they tell me

Chorus

There's no where to run
I have no place to go
surrender my heart
body and soul
how can it be you're asking me to feel
things you never show

You are missing in my heart
Tell me why I can't be there where you are

Chorus
