In the heart of the night  
When it's dark, I heard the loudest noise  
Gunshot on the floor (oh oh)

I looked down  
And my shirt turned red spinnin 'round  
Felt her lips on my neck  
And a voice in my ear  
Like a whisper she want me tonight

Straight through my heart  
I see my bullet she got me  
I can't stop the bleeding (oh)

Straight through my heart  
She hit me she shot me  
I just can't believe it (oh)

No it can't be it  
And I can't be hit  
I just can't escape this love

Straight through my heart  
(Soldier down)  
My heart  
(Soldier down)  
My heart

Thought I knew more than all  
Thought I could resist the call  
I really wanna go  
But I can't leave her alone (oh oh)

Hear the sound of a gun shot down my skin  
I just can't control this feelin  
Says she misses me  
And she wants me, wants me tonight

Straight through my heart  
I see my bullet she got me  
I can't stop the bleeding (oh)

Straight through my heart  
She hit me she shot me  
I just can't believe it (oh)

No it can't be it  
And I can't be hit  
I just can't escape this love

Straight through my heart  
(Soldier down)  
My heart  
(Soldier down)  
My heart

Through the heart of the night  
When it's dark and the lights  
I heard the loudest noise  
A gunshot on the floor (oh oh)

Straight through my heart  
I see my bullet she got me  
I can't stop the bleeding (oh)

Straight through my heart  
She hit me she shot me  
I just can't believe it (oh)

No it can't be it  
And I can't be hit  
I just can't escape this love

Straight through my heart  
(Soldier down)  
My heart  
(Soldier down)  
My heart

(oh ooh oh ooh oh oh oh oh ooh)
