This one's for the mothers who have lost a child  
This one's for the gypsies who left their hearts behind  
This is for the strangers sleepin' in my heart  
They take what they want and leave while it's still dark

No one is glamorously lonely, all by themselves

This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
It's a song for the unloved

This one's for the bridesmaid, never the bride  
And this one's for the dreamer who locked his faith  
inside  
And this is for the widows who think there's only one  
For the dying fathers who never told their sons

No one is glamorously lonely, follow your heart

This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
It's a song for the unloved

Tomorrow the sun will shine  
And dry the tears in your eyes  
Suddenly love comes alive

For one last cry, for one last cry

This is a song for the unloved  
And this is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind

This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind

This is, this is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
It's a song for the unloved
