Chicks always comin 'round
You'd think we'd get 'em on the ground
But our thing is really clowns

Sorry girl! We're gay
Infact we sexed 9 boys today
And the best feeling one was Jay

But we can't forget
Bob, Tom, Larry and all that shit

Oh and then theres...
Terry, theres Jery
Theres Joe, Jake , and Gary

Well girls may think we're wussies
We just dont wanna suck your pussies

Now penises on the other hand
Is the best part of freaking a man

Well I got ta go
To play with gay mens hoho's
