Ohh, ahh
If I laid all alone
Tossin, turning
Longing for some of your tender love
Im wishing for the right moment to come
So I can give you all,
All the tender love youve given to me
Oh baby

Tender love (tender love)
Love so sweet
Hold me close
Oh baby I surrender (oh baby I surrender)
Candles they light the dark, yes
(now I see how)
All the tender love youve given to me
And I want you more and more, babe
(cant resist you)
Oh and I feel your touch
Tender love

And you're loving me straight from the heart
(hold me nearer)
Reasons beyond our love
All the tender love youve given to me
(all of your love, baby)
Tender love (tender love)
Love so sweet
Hold me close
Oh baby I surrender (oh baby I surrender)
Candles they light the dark, yes
(now I see how)
All the tender love youve given to me
And I want you more and more, babe
(cant resist you)
Oh and I feel your touch
Tender love
Tender love (tender love)
Love oh, so tender
Hold me,
Close to you
Girl, I surrender

Chorus
Tender love (tender love)
Love so tender, baby
Hold me close
Hold me close
Hold me close to you,
I surrender
Tender love (tender love)
Tender love
Tender love, give me some of that tender love
Tender love,
Tender love
