sorry listen I'm gonna be late tonight so don't stay up
and wait for me ok?"

Girl: "Where are you?"

AJ: "Wait wait say that again?"

Girl: "Hello?"

AJ: "You're coming in and out I think my battery must be
low. Listen if you
can hear me we're goin to a place nearby, alright?
Gotta go" (click)

Verse 1:

Let me tell you the story about the call that changed my
destiny

Me and my boys went out, just to end up in misery
I was about to go home and there she was standing in
front of me

And I, I got a little place nearby
I wanna go, I should have said no
Someone's waiting for me
But I'm gonna go up and see

Chorus:

Listen Baby I'm sorry
Just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're drying out my battery it's low
So you know we're goin to a place nearby
I gotta go

Verse 2:

Now till it's done nothing's been won
I can't take it back what's done is done
One of her friends found out
That she wasn't the only one
And it eats me from inside, that she's not by my side
Just because I made that call and lied

CHORUS

Break

"Listen baby I'm sorry"

"Hello?"

Let me tell you the story about the call that changed my
destiny

Me and my boys went out, just to end up in misery

I was about to go home and there she was standing in
front of me

Said I, I got a little wasted bye

Gotta go

CHORUS

Listen Baby I'm sorry

Just wanna tell you don't worry

I will be late don't stay up and wait for me

I'll say again you're drying out my battery it's low

So you know we're goin to a place nearby

We're goin to a place nearby

Gotta go

(sound of phone hanging up.)
