Yeah  
Check it out

You see me sitting here, a smile upon my face  
(Face)  
The time has come but you know that it's not too late  
There's been too many things together we have seen  
It's not that hard if we start to believe

And we're not gonna take anymore  
Can we try to erase all the pain? So please

Show me a reason, give me a sign  
Tell me the way we fall out of line  
Is it today or is it tonight we'll find  
The answer to our life?

Check it out

This world is not at ease but we seem to hide the truth  
Thinking there's only so much we can really do  
It's up to you and me to fix our destiny  
The jury's here, so let's take the stand

And we're not gonna take anymore  
Can we try to erase all the pain? So please

Show me a reason, give me a sign  
Tell me the way we fall out of line  
(Fall out of line)  
Is it today or is it tonight we'll find  
(We will find)  
The answer to our life?

So tell me why we have to cry?  
(And I try)  
When there's so many things we can do  
To help this troubled world start anew

I need a reason, I need a sign  
There's no turning back, I'm here by your side  
Is it today or maybe tonight

(We'll find)  
The answer to our life?

Show me the way, give me a sign  
Tell me the way we fall out of line  
(Line)  
Is it today, is it tonight  
(Is it today)  
The answer to our life?

Show me a reason  
(Show me a reason)  
Give me a sign  
(Give me a sign)

Tell me the way we fall out of line  
(Fall out of line)  
Is it today, is it tonight we will find  
(Is it today)  
The answer to our life?

Show me a reason, give me a sign  
Tell me the way we fall out of line  
(Don't fall out of line)  
Is it today or is it tonight we'll find  
(We will, we will)  
The answer to our life?
