You see me sittin here
A smile upon my face
The time has come
but you know that it's not too late

There's been to many things
Together we have seen
It's not that hard if we start to believe

And we're not gonna take anymore
Can we try to erase all the pain?
So please

(Chorus)
Show me a reason
Give me a sign
Tell me the way we fall out of line
Is it today or is it tonight?
We'll find
The answer to our lives

This world is not at ease
We seem to hide the truth
Thinkin' there's only so much we can really do

It's up to you and me
to face our Destiny
The jury's here so let's take the stand

And we're not gonna take anymore
Can we try to erase all the pain?
So please

(Chorus)
Show me a reason
Give me a sign
Tell me the way we fall out of line
Is it today or is it tonight?
We'll find
The answer to our lives

So tell me why we have to cry
And not try
When there's so many
Things we can do
To help this troubled
world start anew?

I need a reason,
I need a sign
There's no turning back
I'm here by your side
Is it today or maybe tonight?
We'll find the answer to our lives

Show me a way
Give me a sign
Tell me the way we fall out of line
Is it today?
Is it tonight?
We'll find the answer to our lives

(Chorus)
Show me a reason
Give me a sign
Tell me the way we fall out of line
Is it today or is it tonight?
We'll find
The answer to our lives
