Let's party
'magine the Backstreet Boys here with the Neptunes
Call it the rec. room, play time now holla
We should be the one ya follow, slow mo, low low,
thousand spokes on a gold Impalla
Crushin'Â', love my women in couples
One on each arm keep double the trouble
So I gotta shift 'em and shuffle, love how I twist 'em
and tussle
Sex play next day call me huh

Let me tell you the story bout the call that changed my
destiny
Me and my boys went out just to end up in misery
Was about to go home when there she was standing in
front of me
And said hi. I got a little place nearby, wanna go?
I should've said no, someone's waiting for me
But I called my girl up and said...

CHORUS

Listen baby I'm sorry
Just wanna tell you don't worry
I will be late, don't stay up and wait for me
Say it again, you're dropping out, my battery is low
Just so you know, we're going to a place nearby gotta
go

Now two years gone, nothing's been won
I can't take it back, what's done is done
One of her friends found out that she wasn't my only
one
And it eats me from inside that she's not by my side
Just because I made that call and lied

CHORUS

Don't stay up and wait cause I'm gonna be
somewhat late
I feel for ya if ya can't relate
I take getaways like two-day stays,
but look still hit me on my two-way page

See Iâ€™m heavy in the streets like a creamed denalli
Cold outside we take trips to Maui
AJ, Brian, Kevin, Nick, and Howie
Accompanied by Clipse pushin T in ally

Let me tell you the story Â‘bout the call that changed
my destiny
Me and my boys went out just to end up in misery
Was about to go home when there she was standing in
front of me
And said hi. I got a little place nearby,gotta go.

CHORUS 2x
