Hey, hey

This ones for the mothers who've lost a child
This ones for the gypsies who left their hearts behind
This is for the strangers sleeping in my heart
Take what they want and leave while it's still dark

No one is glamorously lonely
All by themselves, all by themselves

This is a song for the unloved
This is the music for one last cry
This is a prayer that tomorrow will
Help me leave the past behind
It's a song for the unloved, the unloved

This ones for the bridesmaid, never the bride
And this ones for the dreamers who locked their faith
inside
And this is for the widows who think there's only one
Of the dying fathers who never told their sons

No one is glamorously lonely
Follow your heart
Follow your heart

This is a song for the unloved
This is the music for one last cry
This is a prayer that tomorrow will
Help me leave the past behind
It's a song for the unloved, the unloved

Oh, tomorrow the sun will shine
And dry the tears in your eyes
Suddenly love comes alive
Suddenly love comes alive

For one last cry
Just one last cry
Oh, yeah

This is a song for the unloved

This is the music for one last cry
This is a prayer that tomorrow will
Help me leave the past behind

This is a song for the unloved
This is the music for one last cry
This is a prayer that tomorrow will
Help me leave the past behind

This is, this is a song for the unloved
This is the music for one last cry
This is a prayer that tomorrow will
Help me leave the past behind
It's a song for the unloved
Song for the unloved
