In the heart of the night  
When it's dark in the lights  
I heard the loudest noise  
A gunshot on the floor

I looked down  
And my shirt's turning red  
I'm spinning round  
Felt her lips on my neck  
And her voice in the ear  
Like I missed you  
Want you tonight

Straight through my heart  
A single bullet got me  
I can't stop the bleeding, oh  
Straight through my heart  
She aimed and she shot me  
I just can't believe it, oh  
No I can't resist  
And I can't be hit  
I just can't escape this love  
Straight through my heart  
(Soldier down)  
My heart  
(Soldier down)  
My heart

Thought I knew more than all  
Thought I could fool her charm  
I really wanna go  
But I can't leave her alone

Hear the sound of a love so loud  
I just can't, I just can't ignore this feeling  
Said she miss me  
And she wants me, wants me tonight

Straight through my heart  
A single bullet got me  
I can't stop the bleeding, oh

Straight through my heart  
She aimed and she shot me  
I just can't believe it, oh  
No I can't resist  
And I can't be hit  
I just can't escape this love  
Straight through my heart  
(Soldier down)  
My heart  
(Soldier down)  
My heart

In the heart of the night  
When it's dark in the lights  
I heard the loudest noise  
A gunshot on the floor

Straight through my heart  
A single bullet got me  
I can't stop the bleeding, oh  
Straight through my heart  
(Soldier down, soldier down)  
She aimed and she shot me  
I just can't believe it, oh  
No I can't resist  
(I can't resist)  
And I can't be hit  
I just can't escape this love  
Straight through my heart  
(Soldier down)  
My heart  
(Soldier down)  
My heart  
Straight through my heart  
Soldier down  
(My heart)  
Soldier down  
(My heart)  
My heart  
Straight through my heart  
(My heart)  
Soldier down  
(My heart)  
Soldier down  
(My heart)  
Oh, oh, oh, oh, oh, oh
