[Howie:]

How come you never know
What you got until it's gone
Too bad
Because I never felt so good with anyone
How fooled was I into thinking
I was gonna be alright
Okay
Fine

[Nick/Howie:]

So every day I try a little harder
To forget her
Lie here convince myself
Tomorrow will be better

[Chorus:]

The trouble is I can't get her out of my mind
When I close my eyes at night
Who's gonna save me
Now she's gone
The trouble is there's a part of me
That still can't let go of her memory
And now I know what it is
Love is what the trouble is

[Howie:]

Love is what the trouble is

[AJ:]

How come she said
You never wear your heart
Where I can see
Too bad

Cause now I'm the one
Who's sorry
How stupid was I into thinking
I was gonna be alright
Okay
Fine
So everyday I find a little something

To remind me
No matter how I try
I can't put the past behind me

[Repeat Chorus]

[A:]

Love has let me go
I'm alright, I'm okay
I'll be fine, give it time

[All:]

But the only trouble is I can't get her out of my mind
When I close my eyes at night
Who's gonna save me
Now she's gone (she's gone)
The trouble is there's a part of me
That still can't let go of her memory (I just can't)
And now I know what it is (now I know)
And now I know what it is
Cause love is what the trouble is
The trouble
Love... Love is what the trouble is
