[Brian:]

How come I was the last to know
Took the stage then you stole the show
Another unsuspecting sunday afternoon
I was captured by that stare
Now I'm shattered, but I don't care
And the people walking by don't have a clue

[Brian/A:]

That I kissed your face

[Brian]

Till the sun was in our eyes
Till the afternoon arrived

[Brian/A]]

And I can't explain

[Brian]

Last night I saw the fireworks
The kind of pain that never hurts
The one you hate to love is made for you
Another unsuspecting Sunday afternoon

[Nick:]

Monday is a funny thing
Still waiting for the phone to ring
Will my imagination take it slow?
After Saturday, my life is changed
In a moment it was rearranged
Strange how easy it is letting go

[Nick/A]/Brian:]

And I miss your face
Like the sun was in my eyes
And now I'm running blind
And I can't explain

[Nick]

Last night I saw the fireworks
The kind of pain that never hurts
The one you hate to love is made for you

Another unsuspecting Sunday afternoon

[Brian/Howie:]

This sweet relief
Unexpected things
Is this the end or only the beginning

[All:]

I miss your face
Like the sun was in my eyes(Like the afternoon)
Now I'm running blind (running blind)
I can't explain (can't explain)

[A:]

Last night I saw the fireworks
the kind of pain that never hurts
The one you hate to love that's made for you
Another unsuspecting Sunday afternoon
Another unsuspecting Sunday afternoon
