Everybody groove to the music  
Everybody jam, oh, hey

We've been waiting so long  
Just can't hold it back no more  
Creepin' up and down now  
It's time for me to let it go

If you really wanna see  
What we can do for you  
Send the crazy wildin' static, sing it

Jam on 'cause Backstreet's got it  
Come on now, everybody  
We've got it goin' on for years

Jam on 'cause Backstreet's got it  
Come on now, everybody  
We've got it goin' on for years

Oh, hey, oh baby  
We've got it goin' on for years  
We've got it goin' on for years

Well, I'm creepin' up on your left  
Straight up funky when I get with you  
I get ruthless when I get wet  
Keep the party packed in my corner

Tough like granite to keep the crowd hype  
Get up on this just to get right  
What you want is what you're gonna get  
Backstreet's got the special effects

If you really wanna see  
What we can do for you  
Send a crazy wildin' static, sing it

Jam on 'cause Backstreet's got it  
Come on now, everybody  
We've got it goin' on for years

Jam on 'cause Backstreet's got it  
Come on now, everybody  
We've got it goin' on for years

Oh, hey  
(We've got it goin' on)  
We've got it goin' on for years  
We've got it goin' on for years  
Hey, hey, yeah

We've been waiting so long  
Just can't hold it back no more  
(Oh)  
Creepin' up and down now  
It's time for me to let it go  
It's time for me to let it go

Jam on, jam on

Everybody grove to the music  
Everybody jam  
Everybody grove to the music  
Everybody jam

Jam on 'cause Backstreet's got it  
(Everybody grove to the music)  
Come on now, everybody  
We've got it goin' on for years  
(Everybody jam)

Jam on 'cause Backstreet's got it  
(Everybody grove to the music)  
Come on now, everybody  
We've got it goin' on for years  
(Everybody jam)

We've got it goin' on
