Everybody groove to the music, everybody jam
We've been waiting so long just can't hold it back no
more
Creepin' up and down now it's time for me to let it go
If you really wanna see what we can do for you
Send the crazy wildin'static sing it
Chorus
Jam on 'cause Backstreets got it, come on now
everybody
We've got it goin' on for years
Well I'm creepin' up on you left straight up funky when I
get with you
I get ruthless when I get wet keep the party packed in
my corner
Though like granite to keep the crowd hype
What you want is what you gonna get Backstreets got
the special

Effects if you really wanna see what we can do for you
Send the crazy wildin'static sing it
Repeat chorus
We've been waiting so long just can't hold it back no
more
Creepin' up and down now it's time for me to let it go
Time for me to let it go
Everybody groove to the music everybody jam
Repeat chorus
