With every beat of my heart
Iâ€™ll make a wish for your love
With every breath that I take, yeah, yeah
Thereâ€™s nothing more that I want
Than to stay with you, yeah, yeah
With every beat of my heart

Girl, weâ€™ve been over this a million times before
So girl, need I say how much I care about our love
Why do we hurt each other more than I can stand
Oh girl, need I tell you more than this to be your man
And if you really wanna know how Iâ€™m feeling about
you

With every beat of my heart
Iâ€™ll make a wish for your love
With every breath that I take, yeah, yeah
Thereâ€™s nothing more that I want
Than to stay with you, yeah, yeah
With every beat of my heart

Girl, we can take another time, another place
Oh I, I can always cross the line, not let it go away
And if you really wanna know how Iâ€™m feeling about
you
Iâ€™d just like the world to know that we can make it
through

With every beat of my heart
Iâ€™ll make a wish for your love
With every breath that I take, yeah, yeah
Thereâ€™s nothing more that I want
Than to stay with you, yeah, yeah
With every beat of my heart

Head over heels, Iâ€™m running to you
Iâ€™ve crossed the line and god it feels so good

With every beat of my heart
Iâ€™ll make a wish for your love
With every breath that I take, yeah, yeah
Thereâ€™s nothing more that I want

Than to stay with you, yeah, yeah
With every beat of my heart
