With the bird that flow we could make a change right  
now  
We can make a change, we can make a change right  
now.

With iron heart and a please that you jump,  
Behind that car and the clichs you jump.

Living men feast in reality,  
Truthful feel prophecy is different things from this.

With iron heart and a please that you jump  
Behind that car and the clichs you jump.

With iron heart and a please that you jump,  
Behind that car and the clichs you jump.
