Artist(Band):Bad Brains  
(Print the Lyrics)

In the quest for the test to fulfill an achievement  
Everybody's only in it for themselves  
When the fact of the matter is they just don't care  
To extend a helping hand to anyone else  
So tell me why, did you have to lie  
And try to make me all confused about the U.S.A.  
When the fact of the matter is you just don't care  
To comprehend or understand a single word I say  
I don't want to have I go against I  
Oh let me tell you  
The same old story, no factual glory  
I against I against I against I  
And I say I don't like it, and I know I don't want it  
I against I against I against I  
Almighty watching, almighty watching  
I against I against I against I  
And I say I don't like it, and I know I don't want it  
I against I against I against I  
I said who's gonna tell the youth about the drugs  
About the drugs, mugs, bugs, and the police thugs  
About the rotten stinkin' rackets and the fantasies  
Around the nation, around the nations  
Oh baby what you gonna do  
I tell you the truth is looking straight at you  
I got a brass continental with a 300 Z, two color  
t.v.s,now a video too  
I got a rest home in Jamaica for my fantasy, for my  
family  
Around the nation  
Around the nations  
What you gonna do.
