Is this the life that we're livin or is it a fantasy. You can't believe everything they tell you is true. So, find yourself and your peace of mind. Come understand everything your sooul has to offer. Pull it together find your peace of m9ind. Get yourself together don't be left behind. Must we hold on to false conquest that they have instilled in us. Let us now pull it together and move with our hunger. Oh! we'll cast away all of our fears. Grass for the cattle. And herb for the service man.
