Redbone in the city,
You got no time for love,
You got no time for feelings,
I don't want uh-uh you

Redbone in the city,
You think that you are fine,
You think you'll blow my mind,
In a certain time

[Chorus:]
You, you, you're such a whore,
Such a stinking whore

Redbone in the city
Redbone in the city
Redbone in the city
I don't want uh-uh you

Redbone in the city,
You think that your the one,
You think your lots of fun,
What a joke uh-uh hahaha...

[Chorus]

Redbone in the city...
