Oh ancient Queen of Cush
Tale beyond compare
What faith in destiny
To gain in her story

With royal bounty
and baby in belly
Responsibilities
edification

Oh ancient Queen of Cush
Tale beyond compare
What faith in destiny
To gain in her story

Sheba
your love ordained in grace
His majesties
virtue le find a place
Hidden scrolls reveal for all
to see the half that's never been told
Menelik grew to a King
Now generations pass unlinked
Who is this great mother divine?
The half that's never been told
