The messengers,
last but not least,
the mission towards the east...Yea

How can you say that?
When did you go?
He is our deliverer,
we shall grow

The messengers
last but not least
the mission towards the east..Yea

The purpose
the babies
they're hungry
need shelter from the beast
The purpose
the babies

they're hungry
need shelter from the beast
Young girl,
flee!
Young boy,
flee!

Scriptures written upon Selament
foretold by the one of all
Grab a seat at the round table
oh yea yea yea yea
we have fe gwan der

The messengers
last but not least
the mission towards the east..Yea Yea
