I just want to be seen by you while you just want to be seen  
Everybody else notices you but you just don't notice me  
I just want to be right for you while you just want to be right  
I've got plenty of pictures of you, a pin up for every night  
I just want to sleep next to you, while you just sleep and say next  
You've sucked half of the neighbourhood my friend says you are the best  
I just want to be loved by you and you just want to be loved  
Everybody knows its true, you're a bitch and you are a slut  
I just want to be fucked by you while you just want to get fucked  
You're so rude you want to get fucked so rude just go and get fucked  
I just want to be fucked by you while you just want to get fucked  
You're so rude you want to get fucked so rude just go and get fucked  
Get fucked.

I just want to be fucked by you while you just want to get fucked  
You're so rude you want to get fucked so rude just go and get fucked  
I just want to be fucked by you while you just want to get fucked  
You're so rude you want to get fucked so rude just go and get fucked  
I just want to be fucked by you while you just want to get fucked  
You're so rude you want to get fucked so rude just go and get fucked  
I just want to be fucked by you while you just want to get fucked  
You're so rude you want to get fucked so rude just go and get fucked

Get fucked. Get fucked. Get fucked.
