You ask me why I change the colour of my hair... yeah
You ask my why I need 32 pair shoes to wear
You seems to ask me why I got allot of things
It's just a chick-thing, you got to let it go and try to
understand
That you don't have a cleu

That's what girls do, they keep you guessing the whole
day through
play your emotions, push all your buttons, it's true
that's what girls do

(that's what we do... hahahaha)

You ask my why I play so hard to get... yeah
You ask me to play it cool just to make you sweat...
yeah
You want some kinda explanation, I can give
It's just a chick-thing that you're messing with
to me it's nothing worth but it's not getting through

That's what girls do, they keep you guessing the whole
day through
play your emotions, heart, it's treu
that's what girls do

yeah yeah yeah
why should I change (yeah yeah yeah) I'm having to
must fun
(yeah yeah yeah) to you it's confusing to me it's
nothing new
that's what girls do

That's what girls do, they keep you guessing the whole
day through
play your emotions, heart, it's treu
that's what girls do

That's what girls do, they keep you guessing the whole
day through
play your emotions, heart, it's treu

that's what girls do

that's what girls do... that's what girls do... girls
you ask me why I change the colour of my hair... yeahh
