you can take the world
and that's OK
you can take the world
'cause that's your way
I can pick your eyes out

You can take the world
and that's OK
you can take the world
'cause that's your way
you can leave me behind
and that's OK
I will pick your eyes out

it is hard to see
'cause it's right here with me
and all the people that pass me today
ohohohohohoooo

you know you breathe much more
than I do
breathe much more
than I do
than I do now

you can take the world
and that's OK
you can take the world
'cause that's your way
you can leave me behind
and that's OK
I can pick your eyes out

it is hard to see
'cause it's right here with me
and all the people that pass me today
ohohohohohoooo

you know you breathe much more
than I do
breathe much more
than I do

breathe much more
than I do now
than I do now
