If you think the world's too much
Then take my hand and follow
But not like giving up,
I would never be that hollow
But I'm giving up on the time
When I see what you've become
My life's in vain I heard him say
I hate the way I live today
So don't look back and don't look straight ahead
(That's the feeling)
So bring me the light and lead me tonight
Cause I can't play the hand I'm given
And I don't hesitate to say who I hate
To the reflection in my mirror
I think it's time to give more
If you want to start a new
And it's better to fall sometimes
Than to never ever stumble
And I've given more than I can
But it's not enough to change
My life's in vain I heard him say
I hate the way I live today
So don't look back and don't look straight ahead
(That's the feeling)
So bring me the light and lead me tonight
Cause I can't play the hand I'm given
And I don't hesitate to say who I hate
To the reflection in my mirror
No, I don't hesitate to say who I hate
To the reflection in my mirror
