I have all the things I need  
It is days like these I breathe  
'cause I'm breaking bones right now  
Yes I'm shaking souls right now  
It's the two of us that I see  
It's the two of us that I feel  
And I know you're in me now  
Yes I know  
So let it shine  
Yeah let it shine  
Yeah let it shine  
When I'm going out to feel  
I feel good and I feel free  
Cause I'm breaking bones right now  
Yes I'm shaking souls right now  
It's the two of us that I see  
It's the two of us that I feel  
And I know you're in me now  
Yes I know  
So let it shine  
Yeah let it shine  
Yeah let it shine  
But now you're gone and I will fall  
Yeah now you're gone and I will fall
